I am interested in participating in the *Reach the Beach - Chicago* men's or coed divisions in the relay race and would also participate in the distance competition division. I am happy to join a team if recruited by a Team Captain and am also willing to serve as a Team Captain for swimmers looking to join a team.

I have swum across all 5 Great Lakes. I can keep about a 30-minute mile pace almost indefinitely. There are faster swimmers over a short haul, but if someone beat me over the head with a baseball bat I would keep swimming. I am also always ready with a joke. I will wear my game face but we will have fun!

Please see my STRAVA workouts at [LINK HERE](#).

I have raised over \$1 million for charity over my swimming career and am all about helping disabled U.S. combat Veterans.

Please contact me at [EMAIL LINK HERE](#) if you are interested in teaming up!
